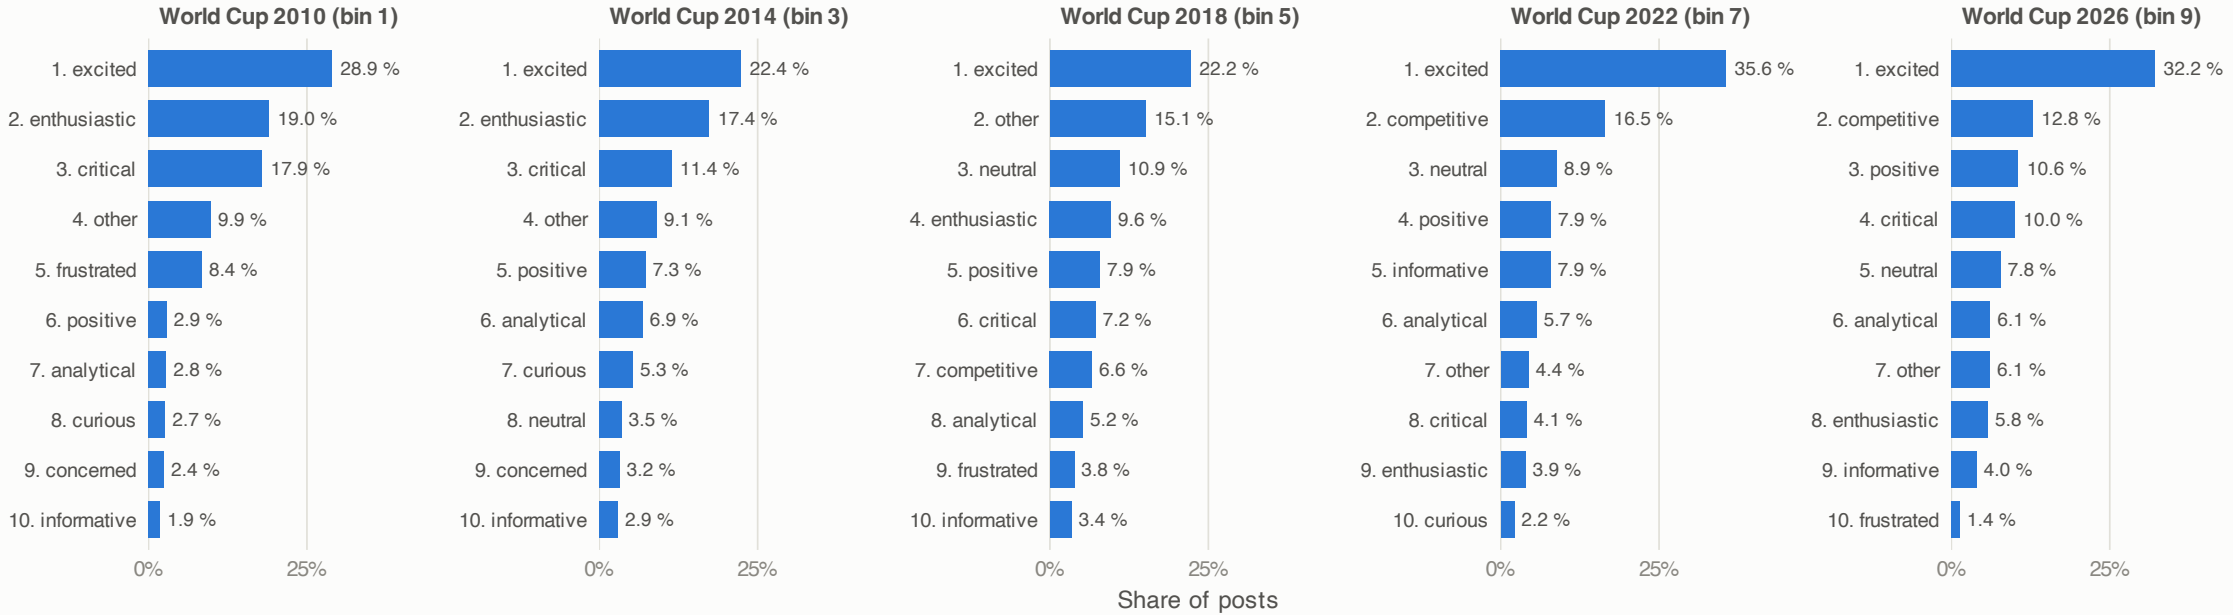
## Which tones lead in each World Cup period

The 10 most frequent topic tones in each World Cup bin, ranked by share of posts



Posts in their HDBSCAN cluster or singly reassigned to a topic (171,374; dual-topic and outlier posts excluded), with the tone the two analysts gave their topic (controlled vocabulary incl. the four categories of 2026-10-27; 'other' = tones outside it). Every tone and rank: tab_E4_worldcup_tone_ranks.csv; all nine bins: figure C4.
